Expecting The Unexpected
 How easy it is to ignore the truths hidden in familiar stories. The story of the wedding at Cana may feel like "old news" but its message is still vibrant. Consider how the miracle of the wine shows us God using the most unlikely people. No one expected Mary to solve the party crisis. Yet it was Mary who pointed the waiters toward her Son. She was the key to the happy outcome. Our lives today are often gifted with unlikely people that can lead us out of our emptiness, if only we let them. God can direct miraculous things in our lives if we leave our preconceived notions, our expectations behind. The next time your vessels are empty let God do the choosing, and you may find His wine of healing flowing from the most unexpected jars.

Snow Song
 O the snow, the beautiful snow
 Filling the sky and earth below
 Over the housetops, over the street
 over the heads of the people you meet
 Dancing, flirting, skimming along
 praising our Maker in crystalline song.
 J W Watson

HEALTH CARE REFORM

The U.S. House passed health care reform that reaffirms the essential, longstanding and widely supported policy against using federal funds for elective abortion coverage. The U.S. Senate has rejected this policy and passed health care reform that requires federal funds to help subsidize and promote health plans that cover elective abortions. All purchasers of such plans will be required to pay for other people's abortions through a separate payment solely to pay for abortion. These two bills are being combined into one bill that both the House and Senate will vote on in final form. Catholics need to make their voices heard insisting that health care reform protect the lives, dignity, consciences and health of all. Provisions against abortion funding and in favor of conscience protection, affordability, and immigrants* access to health care must be part of a fair and just health care reform bill. Unless and until these criteria are met, the final bill must be opposed. The U.S. House passed health care reform that reaffirms the essential, longstanding and widely supported policy against using federal funds for elective abortion coverage. **To send a pre-written, instant e-mail directly to Congress, go to www.usccb.org/action. For more information about health care go to www.usccb.org/healthcare. You may also find info at www.house.gov & www.senate.gov.**
