COLLECTION REPORT		
May 2	\$	4,244.76

The 2nd Collection next weekend is for Latin America. Although approximately half the world's Catholic population lives in Latin America, the Church in the region is losing members at an alarming rate. They are drawn away from the Church by other faiths & are often obliged to migrate in pursuit of a better life. These tensions can contribute to the destabilization of families & faith communities. You can keep faith through your support of next week's collection. The Church in Latin America needs your help. Please be as generous as you are able.

System Check

Have you ever noticed how faith is like a computer? Consider how people relate to their computers. Some breeze through the most difficult program, while others can't seem to turn on their monitor with serious fuss. Just like our faith: some people walk with God in the most difficult of circumstances and others make mountains out of molehills. Yet, no matter which picture we fall into, today's reading tells us God is here to stay (rather like those unavoidable computers). Even better though, God wants to make His home us. Yes, yes, we all say, I already know that. But sometimes that "data" doesn't always transfer from our hard drive to the screen on which we live our lives. Perhaps what we need is a good "reboot" to look at our faith with a clear screen so that we might integrate it. Take today's reading as an invitation and a promise. An invitation to walk with God, to let God make a home with us. And a promise that the Spirit of that same God will instruct us in everything we need to know. (Except of course those pesky Microsoft upgrades)

“Those who love Me will be true to My Word. My Father will love them and will come to them.” How will I respond to that love? Am I being called to priesthood or religious life? If God is calling you, call Rev.

A Mother’s Day Prayer

*I said a Mother’s Day prayer for you
to thank the Lord above
for blessing me with a lifetime
of your tenderhearted love.
I thanked God for the caring
you’ve shown me through the years,
for the closeness we’ve enjoyed
in time of laughter and of tears.
And so, I thank you from the heart
for all you’ve done for me
and I bless the Lord for giving me
the best mother there could be!*
