**Don't Check The Price Tag!**

Everyone knows the rule, don't look a gift horse in the mouth. We're taught at a young age never to question the value or the cost of a gift freely given. And that moral is a wise one. What's missing however is the recognition of a gift in the first place. So much in this world we take for granted, as our due, or something we've earned. But Jesus made it clear time and again that everything we have comes as a gift from God, from our first breath to our final sigh. The span of our life, it's contents, our abilities, our possessions all are given from a loving Father. And not only are we abundantly gifted, we are gifts ourselves. Jesus says "they are Your gift to me." Strange to think that even in the depth of our muddiest mire, Jesus considers us a precious gift from His Father. Perhaps that is where that original moral, "don't look a gift horse in the mouth" comes from. If Jesus did, there surely would be days He'd be standing in the gift exchange line.

The Lord said, "I will not leave you orphans." Pray for an increase in vocations to the priesthood and religious life. If God is calling you, call Rev. Walter Szczesny at 716-847-5535.
