NOTE FROM "THE SEMINARIAN"

I recently launched a website through ["godaddy.com."](http://godaddy.com) The purpose of the site will be to blog and write about my journey to the priesthood. The website is ["www.seminarianmike.com"](http://www.seminarianmike.com) I invite you to check it out, and check it often as I hope to really enhance the website as I play around with the format. In college one of the classes I took involved website construction and I haven't used those skills yet on this current site, so I am excited to see what I can build as I go along. God Bless! Peace & Prayers, Michael.
